### **Company profile:**

Grüning & Loske GmbH stands for the successful combination of efficient products and outstanding services. Good ideas, modern techniques and a longstanding tradition as a technical trader are complemented by innovative solutions for the industry, for communities and consumers with only one aim:

Achieving the highest satisfaction of our customers and partners. A 5-Star-Service every day!

Together with you we develop optimum solutions adapted to your changing requirements, ensuring a successful procurement management. We are experts in delivering proven and financially efficient solutions, based on long-term industry experience. You can count on us for attention to detail and high quality – from the very first conversation to the on-time delivery! Safe, secure and reliable!

### **Scope of services and product range:**

#### **Hose technology**

- Rubber hoses
- Plastic hoses
- Sewer jetting hoses
- Hydraulics/high - pressure hoses
- Sweeper hoses
- Abrasion-resistant material handling hoses
- Oil and petroleum hoses
- Liquid manure and faeces hoses
- Chemical hoses
- Food hoses
- Potable water hoses
- Water hoses
- Hot water and steam hoses
- Cooler hoses
- Compressed air hoses
- Brake and hydraulic hoses
- Autogenic and propane gas hoses
- Suction and ventilation hoses
- Pressure testing, vacuum testing
- Hose recycling service

#### **Sewer technology**

- Sewer jetting hoses
- Odour neutralisation
- Sewer cleaning nozzles and cutters
- Pipe plugs and renovation packers

#### **Fitting technology**

- Hose binding service
- Production of components, product development
- Storz couplings
- Kardan couplings
- Bauer couplings
- Anfor couplings
- Kamlok couplings
- Flange couplings
- Tank truck couplings
- Welded fittings
- Shut-off valves, ball valves
- Hydraulic couplings
- Quick release couplings
- Compressed air valves
- Hot tar screwings
- *LÜDECKE* local partner
- Fittings

**Please also refer to page 2!**

**Fastener technology – hose clamps**

- Worm drive hose clamps
- Hinge bolt clamps
- SK-clamps
- Fastening clamps
- Malleable cast iron clamps
- Wire clamps

**Odour neutralisation**

- Sewer and wastewater technology
- Treatment of waste
- Animal breeding
- Industry
- Petrochemicals
- Transport

**Conveyor technology and wear protection**

- Conveyor belt engineering
- Consultation and assembly
- Hot and cold vulcanization
- Rubber coating and corrosion protection

**Personal protection equipment**

- Foot protection
- Hand protection
- Clothing
- Head and face protection
- Respiratory protection
- Fall protection

**Sealing technology**

- Sealing plates
- Cut-to-size rubber plates
- Sealing press room and cutting plotter

**Industrial supplies / MRO**

**Chemical engineering**

- Adhesive and sealants for industrial applications
