Company profile:

Since 1889 Rala GmbH & Co. KG has been supplying the industry, handcraft and communities with technical articles of rubber and plastic as well as with occupational safety from tip to toe.

Our company's philosophy is: *"Man is in the centre of our clients, of our company and of our suppliers"*. We guarantee our clients a high degree of quality, safety and satisfaction.

In our company service is understood and goes along with competent consultation, quick and reliable supply and a well-assorted stock and customer service on site by our own sales representatives.

You will find more of our product range on the next page:

Chemical-technical products

- corrosion protection
- special lubricants
- maintenance products

Sealing technology

- static seals
- packing and mechanical seals
- hydraulics/pneumatics/rotation
- seals for the food industry
- heat protection and insulation products

e-business and services

- e-business
- logistics

Moulded parts and profiles

- moulded parts
- sealing profiles

Operating supplies

- safety knives
- industrial requirements
- cleaning products

Bonding technology

- sealing and bonding compounds
- adhesive tapes

Plastics

- semi-finished plastic parts
- finished plastic parts

Production

- hose and fitting technology
- sealing technology
- plastic technology
- drive technology
- special services e.g. patching and bonding
- conveyor belts

Hose technology and hydraulics

- rubber hoses and hoses of different types
- plastic hoses
- PTFE hoses/ PTFE corrugated hoses
- chemical hoses
- steam hoses
- metal hoses
- hydraulics/high-pressure hoses
- hydraulic/high-pressure fittings
- accessories
- services
- bowling pins (skittle)

Conveyor belts

- production services
- delivery programme
- machinery

System supply

As a system supplier we offer you services which go far beyond the real product and which are oriented according to your individual needs.
