Company profile:

DEUREX is one of the most important international suppliers of industrial waxes. The company has earned a worldwide reputation as an innovative pioneer and an inventor of round design micronized waxes.

Steadily since 2010 DEUREX establishing another business area to manufacture wax-based oil- and chemical binder. Traded under the name DEUREX PURE a special and already patented product series, caused quite a stir in media. DEUREX PURE keeps the contaminants, does not adsorb any water. This produces benefits and opens the product series for completely new fields of application for civil protection mechanism as well as industrial applications.

Manufacturing- / delivery programme:

Oil- and Chemical binder

Ecological benefits:

- Protection of water due to insolubility
- No residues of the product in the water
- Resistant against weather conditions
- No adsorption of water
- Long time adsorbent
- Easy to separate from water
- Non biodegradable
- Free of surfactants
- No hazardous goods

Products: Plastic buckets, Paper bags, Net booms, Fleece booms, Mats, Duct covers round, Duct covers square, Leakage sets, Net blocks and net bags.
