Company profile: ZWICK manufactures valves that meet the highest requirements.

For 40 years, the name ZWICK has been synonymous with quality in the fields of industrial valves and mechanical engineering. During this period, our company has grown from a "one-man operation" to an internationally known and recognized family business with over 100 employees.

We are able to offer outstanding technical support and service to meet your special valve requirements.

Manufacturing- / delivery programme: Standard process valves and special fittings

Metallic sealing butterfly valves
of the series TRI-CON

Check Valves
of the series TRI-CHECK

Double Block and Bleed versions
of the TRI-BLOCK series

Control fitting with the specially designed
Sharktooth attachment TRI-SHARK
