

Isiflo Sprint is a patented range of composite push-fittings that combines the safety and strength of a traditional mechanical fitting with the userfriendliness of a standard push-fitting.

DVGW Zulassung für Wasser
DW-8616CO0485

DVGW Zulassung für Gas
DG-7521CO0472
für Typ 7000, 7020, 7050, 7100, 7120,
7150, 7160 und 7650

The installation of Isiflo Sprint happens in one simple move, requires no tools and no complicated preparation of the pipe. Just cut the pipe scarcely and insert, with a slight twist, into the fitting.

The result is a strong, firm and long-lasting connection between the pipe and the coupling.
